Each Field must have at least 15 players playing from the Championship Tees # - Playoff Winner **BOLD** indicates entered in 2011 JCJI Field

• The JCJI Tournament Committee reserves the right to evaluate/restructure the on-going qualifier process each year. The Invitation process begins anew each year immediately after the final putt is holed at the championship. All former Joe Cheves Junior Champions are exempt, providing they are still eligible, as well as the Top 5 from the previous year. Meet a criteria and you will receive a JCJI Invitation, as long as you are still enrolled in high school. If a qualifier is a duplicate invitee or will not be eligible for the JCJI it does not cause the qualifier list to slide down to the next eligible player at each criteria event or within the rankings ... Invitations begin going out on May 1st. Each Invitation has a Deadline to Accept Date. We are not responsible for incorrect addresses. If you have met a criteria and your Invitation is not received in due time after May 1st, please contact us at 919-801-7360 or email to agagolf@nc.rr.com ... If the qualifying process has need, a limited number of at-large bids may be extended to players with national, regional and state tournament victories and a quality resume. There are many ways to earn a JCJI invitation. If you want to play, please earn one.
